Body Swap

Summary

19 years later (!). Here's a short sequel to the stories of Mya, married to Gareth, and her daughter Corona! The souls of Saturos and Menardi have escaped from hell and they have a plan for revenge.

I've kept the cringy, clunky writing style of the time period (2004) to make this fanfic truly feel like a sequel. Enjoy.

In Vale, the ghosts of Saturos and Menardi prepare their plan.

Saturos: You haven't forgotten the ritual, have you?

Menardi: Of course not. That pest Mya doesn't know what she's in for. Mwa ha ha ha!

Saturos: I thought you wanted revenge on Isaac and his friends.

Menardi: Yes, of course. Felix and his Party too. But Mya. She gives me the most rage! Why does she have the Alchemy? Why she's perfect? IT'S NOT FAIR!

Saturos (whispering): Besides, she's married to that idiot Garet. She'd be much happier with me! I want her.

Menardi: Did you say something?

Saturos: Nothing, nothing. So, shall we start?

Menardi: YES!

Saturos and Menardi perform the ritual.

Meanwhile, in the house of Garet, Mya and Corona...

Mya: Zzzzz.

Garet: Zzzzz.

Corona (waking up): ! What's going on?

She gets out of bed.

Corona (?): Why am I in Corona's room?

She goes to Garet and Mya's room.

Corona (?): !!! But... It's me lying next to Garet. How...? WAKE UP!

Garet and Mya (?) wake up with a start.

Garet: CO-RO-NA! Why did you do that?!

Corona (?): Because I'm not Corona, I'm Mya!

Mya (?): She's right, Dad.

Mya (Corona): Our souls have been switched!

Corona (Mya): A body sway... who could have done this? And why?

Garet: I don't get it!

Corona (Mya): Corona is Mya, Mya is Corona. Okay?

Garet: Corona is Mya, Mya is Corona. Corona is Mya, Mya is Corona. Corona is Mya, Mya is Corona... WHAT?!?

Meanwhile, the ghosts of Saturos and Menardi laugh.

Saturos: HA HA HA!

Menardi: HA HA HA! Now all we have to do is kidnap her!

Saturos: Yes. (He whispers the rest.) Mya, soon you will be mine!

They disappear.

In the house of Garet, Mya and Corona...

Corona (Mya): !!!

Mya (Corona): Saturos, Menardi!

They appeared before them!

Garet: How...? You should both be dead!

Saturos: Yes, but we've escaped from hell!

Menardi: Mya, All Adept, you belong to us!

Garet: I won't let you get your hands on my wife!

Menardi: HA HA HA! Poor fool! Saturos?

Saturos: With pleasure!

He teleports to Corona (Mya), grabs her, and teleports again to appear near Menardi.

Mya (Corona): MOM!

Corona (Mya): LET ME GO!

Garet: Let her go, FLARE STORM!

His Psynergy does nothing to Saturos and Menardi!

Mya (Corona): !!!

Menardi: You're really an idiot. We're already dead!

Corona (Mya) still struggles, wanting to free herself from Saturos, then stops moving.

Saturos: Ah. You've finally come to your senses.

She concentrates.

Saturos: You know, if you were in your body, you and I could get married and...

Then she releases a Psynergy that hurts Saturos!

Saturos: AHHHHHHHH!

She frees herself and returns to her husband and daughter.

Menardi: How?!

Corona (Mya): I've changed my Elemental Psynergy into Spirit Psynergy, which can hurt ghosts!

Garet: Are you serious?

Mya (Corona): But that's great! TAKE CARE OF THEM!

Corona (Mya): With pleasure!

And thus Mya, in Corona's body, slaughters Saturos and Menardi. When the two specters are defeated, they disappear, and the souls of mother and daughter return to their respective bodies! Saturos and Menardi's evil ritual had been broken.

Garet goes back to bed with his wife. Corona does the same and all's well that ends well!
